Globavend Holdings Limited Announces 1-for-200 Reverse Stock Split

PERTH, AUSTRALIA, July 17, 2025 (GLOBE NEWSWIRE) -- Globavend Holdings Limited ("Globavend" or the "Company") (NASDAQ: **GVH**), an emerging e-commerce logistics provider, today announced that it intends to effect a 1-for-200 reverse stock split of the Company's ordinary shares (the "Reverse Stock Split"). The Company anticipates that the ordinary shares will begin trading on the Nasdaq Capital Market on a post-Reverse Stock Split basis upon the opening of the market on July 21, 2025 (the "Effective Date").

A majority of the shareholders of the Company approved the reverse stock split at an extraordinary general meeting of shareholders held on April 28, 2025, with the Board of Directors subsequently approving the 1-for-200 ratio.

On the Effective Date, the Reverse Stock Split will reduce the number of outstanding shares of the Company from approximately 253 million to approximately 1.27 million, notwithstanding the reconciliation of fractional shares, and will affect all outstanding ordinary shares. Every two hundred outstanding ordinary shares will be converted into one new ordinary share.

The Reverse Stock Split will not modify any rights or preferences of the Company's shares. Any fractional share in the total number of issued post-Reverse Stock Split ordinary shares that would have resulted from the Reverse Stock Split will be rounded up to the nearest whole number by issue of such fractional post-Reverse Stock Split ordinary share as necessary to Cede & Co at par value. The par value of the ordinary shares will be proportionally increased from \$0.001 to \$0.20.

VStock Transfer, LLC, the Company's transfer agent, will act as the exchange agent for the Reverse Stock Split. Shareholders of record will receive information from VStock Transfer, LLC regarding the transition. Shareholders who hold shares in book-entry form or through a broker or other nominee will have their positions adjusted automatically to reflect the Reverse Stock Split and will not need to take any action. VStock Transfer, LLC can be reached at 212-828-8436 to address questions regarding the exchange process.
